PRINTING AND PHOTOGRAPHY DIVISION
WEEKLY REPORT FOR PERIOD ENDING
19 January 1984 - 25 January 1984I. Items or Events of Major Interest that Have Occurred
During the Preceding Week

A. Dicomed to VM Datalink: P&PD and ODP have developed a draft ODP TECHNOTE which will announce the electronic datalink between P&PD's Dicomed recorder and the ODP IBM/VM computer system. The TECHNOTE will explain how the link can be used and the computer graphics output capabilities of the Dicomed. The anticipated publication date of the TECHNOTE is 1 March 1984.

B. Agency Publishing Network Working Group Meeting: P&PD representatives attended an Agency Publishing Network Working Group (APNWG) meeting this past week. The purpose of the meeting was to introduce the new Chairman, [REDACTED] (DDI Planning Staff), and to discuss any new APN initiatives by the components represented on the group. P&PD representatives discussed the ETECS expansion, the second laser platemaker acquisition, and the status of the Page Make-up Request for Proposal (RFP). The DDI/CPAS representatives discussed additions to their ICCADS system and the acquisition of a SCITEX scanning system. Minutes of the meeting will be forthcoming.

C. Congressional Budget Justification Books (CBBJ): Most graphics for the CBBJ volumes have been completed and several volumes are ready for full page makeup. Final approval should be received for the printing of some of the volumes by Wednesday. The new completion date for this project is 3 February 1984.

D. DCI Support: P&PD videotaped the DCI presentation in the Headquarters Auditorium on 24 January 1984. Copies of the videotape will be available to Agency components through the Office of Central Reference (OCR).
